

CHESTER & DISTRICT BADMINTON LEAGUE

Minutes of the Fixture Meeting held on **Wednesday 11th July 2018** in the Trophy Room of the Cheshire County Sports Club at **6pm**.

1. ROLL CALL

The meeting was held early to allow members to watch the World Cup Football. All clubs except Delamere were represented though the latter provided a fixture form that had been completed by prior contact with other Division 3 clubs.

2. PARKER & CAPPER TROPHY COMPETITIONS

It was agreed at the AGM that there should be one more attempt at running the Trophy Competitions on a Sunday.

Louise Nesbitt, the Tournament Secretary, proposed a date of **Sunday 17th March 2019** at the Cheshire County Sports Club from 1pm. All clubs to promote this competition

3. PROPOSED LEAGUE STRUCTURE

Connah's Quay reported that, as they had lost A team players to EROS, they would be unable to field 2 mixed teams for the 2018/19 season. The only mixed Connah's Quay team will therefore be that in Division 3.

An application from new club EROS to join the league was accepted. As the team is to be largely made up of former Connah's Quay A team players it was agreed it would be appropriate for EROS to enter Division 1.

Tarporley reported that their venue, the sports hall of the high school, will not be available till 6th Nov so they need to arrange the majority of their league fixtures before Christmas as 'away' matches. Also they will not be able to field a men's team after all.

Chistleton will only field one men's team this year whilst Buckley wish to enter a 2nd team and both Ellesmere Port and new club, Mold, would like to enter a team. As this makes a total of 10 teams it was agreed to have two divisions in the men's league.

The final agreed league structure is therefore as attached.
