

## **Additional Rules for the 2021/22 Season Only**

1. There will be no promotions or relegations.
2. Teams must be registered with the League Match Secretary but league fees will be waived.
3. If a team cannot field 8 players, the remaining players can double up. (e.g if a man short one man can play an extra mixed and one man an extra doubles game to complete the 8 events. Similarly if a lady short)
4. In the case of isolating/Covid requirements involving 2 or more players, matches may be rescheduled by team captains. The League Match Secretary must be kept informed of such changes.
5. Team captains can agree to matches being played with 6 Players only. This is in relation to the proposal by Christleton to have a 6 person by 9 game format. (M1+M2, M1+M3, M2+M3, L1+L2, L1+L3, L2+L3, M1+L1, M2+L2, M3+L3). This is an opportunity for clubs to try a different format. It is by prior agreement and in the case of a dispute the 8 player format is to be played.
